Page 4 – Stage Plot

## **Lineup / Travelparty**

Band: 4 persons

Crew: 1-2 persons (depending on show location and other circumstances)

Please contact the band in case you need the exact number of our crew members or detailed personal information

## **Hotel booking / travel options**

For shows outside of Switzerland the promoter has to provide hotel rooms including breakfast for the whole travelparty.

For shows in Switzerland depending on the distance to our hometown we would be happy if the promoter could offer some sleepover options.

We require at least one parkinglot close to the venue

## **Backstage**

We need a clean room that offers enough space and seats. (Sharing a room with other bands is acceptable, as long as it's still comfortable and there is enough space for everybody!) The backstage room must be kept clean and smoke-free

## **Merchandise**

The promoter must provide enough space to present out merchandise. It must be well illuminated. The band will hold 100% of their sales.

## **Payment / SUISA / GEMA**

Unless otherwise agreed the band will get the full payment right after their show in cash. The promoter must provide the GEMA- or SUISA-list upfront the show.

## **Recordings**

All music from Mind Patrol is owned by the Band and therefore the show cannot be filmed or sound-recorded without written permission of the band.

Mind Patrol is entitled to all rights of the recorded sound- and film / picture materials. For permission and/or advice please contact the band upfront.

2 vegan, 1 allergies and 1-2 omnivores

If you cannot handle vegan food, at least provide vegetarian food.  
In this case please inform the band upfront.

**Backstage / UPON ARRIVAL**

- Non-alcoholic drinks (water with- and without gas, cola, ice tea)
- Energy Drinks
- Enough Beer
- Hard alcohol at least one bottle like Jägermeister, Vodka, Rum, Jin...
- Coffee and Tea + sugar and milk
- Some sweets like chocolate, snickers, m&m's, cookies...
- Some fruits like bananas, apples, kiwis, oranges, grapes...

**Dinner – For band and Crew**

- 2 vegan, 1 allergies and 1-2 omnivores
- The dinner must be fresh and nutritious quality food, rich on vitamins!
- No fast food, please!
- Vegan food should not contain soy products, instead provide warm cooked vegetables and legumes (like peas, beans, lentils, chickpeas)
- Please schedule times of serving the dinner with the band at arriving
- If there is no dinner available we accept a buy-out of 15 Euro (or equal in local currency) per meal to be paid to the band before doors open!

**Our drummer has a vegetable allergy. Prepare some special food for example Pasta without sauce, thanks in advance!**

**Stage**

- at least 8 small bottles (500ml) of still water
- 4 towels

**After the Show**

- Wrapped Sandwiches (or similar finger food) with mixture of cheese, ham & cheese, respectively vegan stuff for 4-6 people

**General**

- The Band will travel (if not otherwise communicated) WITHOUT any sound-, monitor- or lighttechnician
- The promoter must provide qualified technicians for audio and lights who are experienced with metal performances
- The location needs a soundsystem which fits the size of the venue that provides equal sound level and quality all over the listening area

**Stage / Monitoring**

- optimal stagesize at least 5x6m
- Drumriser 2x3m (optional)
- A minimum of 3 independent monitor wedges, running on 3 individual lines, all positioned downstage
- The drummer will bring his own in-ear system for guitar sounds and does not need any monitoring
- The band needs power behind the drum, at the bass-and the guitar amps (at least 4x230V)
- The band moves a lot on stage. Make sure to have enough space for them

**Backline Requirements**

- Drums: 1x bassdrum, 2x rack tom, 1x floor tom, at least 4 stands for cymbals  
1x drum carpet (2x3m)
- Guitars: 2x guitar cab (4x12) 8-16 Ohm input-
- Bass: 1x bass cabinet, speakon-jack adapter cable
- Mics: 3x microphone + stand, 1x DI-Box

**Equipment Mind Patrol brings**

- Drums: 1x Drumthrone, 1x Kickdrum Pedal, Snare + Stand, Cymbals, In-Ear-System
- Guitars: 1x Kemper active Amp, 1x Hugh & Kettner Amp, 4x E-Guitars,  
2x Wireless-system, Jack-Cables
- Bass: 1x Bass Amp, 1x Bassguitar, 1x Wireless-system
- Stageprops: 1x Backdrop 4x3m  
2x Sidedrops 1x2m incl. stands
